

Japan Association of Microscopic Dentistry Regulations for Satellite Seminars

Chapter 1: General Provisions

Article 1.

In accordance with Article 25, the rules concerning Satellite Seminars which is one of the projects carried out by the Japan Association of Microscopic Dentistry (hereinafter referred to as "the Association") of Article 4 (5) are as stipulated in this rule.

(Operation)

Article 2.

When selecting the venue, we aim to increase the number of members so that more citizens can receive dental care by microscope. To accomplish this, prefectures with few members per 500,000 people are prioritized. The operation standards are as follows.

(1) The decision of the venue shall be made by the Public Relations committee.

(2) The seminar is about half a day, and it is held at least once a year.

(3) The number of lecturers shall be two, and the Public Relations committee shall appoint officers, supervisors, and certified physicians.

(4) Non-members may join for a 5,000 yen fee, and Members may participate free of charge.

(5) Lecture remunerations conform to the rules concerning lecture payments.

(6) Transportation fees for lecturers conform to the payment rules for travel expenses related to work.

(7) Accommodation fees for the lecturer comply with the provision of travel expenses such as business-related expenses when the Public Relations committee finds it necessary.

(Revision)

Article 3.

When revising or abolishing this rule, approval from the board must be obtained.

.

Supplementary provision

This rule shall come into force from April 1, 2014.

This regulation was partially revised on April 15, 2007 and will be enforced on this day.
